Professional Ski Race Scheduled At Bowl March 26

First Professional Race In State Will Be Held At Sugar Bowl

NORDEN—Plans are rapidly progressing for one of the top ski events in California history—the first professional ski race in the state, scheduled for the Sugar Bowl near Donner Summit on Sunday, March 26.

Edward Siegel, general manager of the Sugar Bowl, announced that the race would be sponsored by the Sugar Bowl Corp., Bill Klein Ski Shop, the Magic Carpet Corp., and the Head Ski Company, in conjunction with the International Professional Ski Racers Association.

Former world's champion Friedl Pfeifer, now of Aspen, Colorado, is head of the latter organization.

Siegel says that enthusiasm is already being shown by both skiers and the general public. "It's amazing to see such interest so early," said Siegel. "We feel we have secured an outstanding event for northern California that will mark a milestone in western ski history. There are still plenty of accommodations available in the Donner Summit area."

Siegel has been in constant touch with Pfeifer in Aspen over various details about the race, and commented, "I kinda hate to see my phone bill this month."

Cramer Is Named To Parks Board

Governor Edmund G. Brown last week appointed Sterling S. Cramer, controller of the Yosemite Park and Curry Company and member of the California Olympic Commission, to the state park commission, to succeed old-time actor, Leo Carrillo.

The appointment was for a four year term and requires the confirmation of the state senate.

Cramer last week completed a study of the state's concession contract at Squaw Valley State Park at the request of Brown and found it to be workable but suggested it be negotiated on minor points.

Cramer, 5, is a Democrat and has been with the Yosemite organization and its predecessors since 1935. He lives in Yosemite National Park. He is a graduate of Stanford University.

Brown congratulated Carillo on his 12 years service on the park commission.

In Los Angeles Carrillo angrily told reporters he was resigning when he learned that Brown was not going to reappoint him. He first was appointed by former Governor Earl Warren and reappointed by former Governor Goodwin J. Knight.

GIFTS ARE RECEIVED BY LOCAL HOSPITAL

The Tahoe Forest Hospital was the recipient of several gifts which were donated by individuals and organizations in the area.

Mrs. Frances Revett Wallace of Crystal Bay, made two cash donations to the hospital, one in memory of Mrs. Gladys Comstock Bennett and the other in memory of Mrs. Mary Revett.

Another cash donation was received from Mr. C. P. DeWitt of Norden.

Ray H. Wiser, M. D. recently donated a Burdick heartpacer machine for use in the surgery department of the hospital. Dr. Wiser requested that this donation be made in the name of the Truckee Lions Club.

Clay Sherman and family of Piedmont, donated a Bovie Electrosurgical unit for use in the hospital surgery department. This $1,700 piece of equipment has been received and installed for the use of the doctors in the hospital.

A cash donation in the amount of $50 was received from the Women's Club of North Tahoe requesting that it be used as needed at the hospital.

The board of directors sincerely appreciated these gifts and gift certificates together with letters of appreciation have been sent to the individuals and organizations concerned.

STOLEN SCHOOL FUND FOUND BY OFFICERS

TAHOE CITY — Placer County Sheriff's officers at Lake Tahoe recovered $85 reported stolen from the Kings Beach Elementary school last week.

The theft was reported by Harvey Price, principal of the school, and the money was recovered after the apprehension of four boys, who were turned over to juvenile authorities.

POT LUCK SUPPER TO PRECEDE CUB MEET

A pot luck supper at 6:30 will precede the Cub Scout pack meeting to be held February 27 in the cafeteria of the Tahoe Truckee High School.

Mrs. George Wurst's Den will present the program and awards will be given.

Dr. Wyatt Is Found Guilty In Reno; Is At Liberty On Bail

RENO—Sixty-one year old Dr. Thomas D. Wyatt of Crystal Bay, convicted Friday of attempted abortion, Monday was free on $10,000 bail, a matter of hours after being sentenced to the Nevada state penitentiary for a term of from 1 to 2½ years.

Judge Peter Breen set the amount of bail at $10,000 after a notice of appeal was filed during the afternoon court session by Samuel Francovich, attorney for the doctor.

During the morning, District Judge Clel Georgetta sentenced the physician after denying Francovich's motion for a new trial.

Four of six points raised by Francovich in his motion for new trial had been given "great consideration" before and during the five-day district court trial, Georgetta ruled. He ruled against the other two points from the bench during discussion of the motion.

Prosecutors Drake DeLanoy and Eric Richards, assistant district attorneys, did not argue the motion on the basis all points had been covered thoroughly during the trial.

After denial of the motion Francovich submitted a certificate of probable cause for appeal which Judge Georgetta signed immediately. However, Judge Georgetta refused the defendant's request to set bail until a notice of appeal was filed with the Nevada Supreme Court.

Narcotics Stolen From Two Doctors

That there is a narcotic addict in the area is evidenced by the theft of bags belonging to local doctors.

For the second time within the past few weeks the bag belonging to Dr. William Brodie has been stolen from his car and Dr. Ben R. King last week reported a similar theft of his bag which was later recovered near Highway 89 near the Truckee cemetery.

Both cars had been left parked near the Tahoe Forest Hospital while the doctors were inside. Missing from Dr. King's bag was a half bottle of demerol and Dr. Brodie told Deputy Sheriff Emery Lander, who investigated, that there was a small portion of the same drug in his bag which has not been recovered.

In the previous theft, Dr. Brodie's bag was found near his residence with the drug the only item missing.

JOLLY INSTRUCTING ART CLASS AT RENO

Rafael Jolly, a local artist who has been teaching an art class in his studio is also instructing a portrait class on Wednesdays in the Reno Art Gallery.

Jolly plans to donate one of his paintings to a Carson City organization which will be included in an exhibiton to be held March 12 in the Carson City Hospital at a silver tea and open house. Again on April 30 all the paintings will be shown in the Nevada governor's mansion.

NORTH TAHOE PLANS NEW UTILITY OFFICE

KINGS BEACH — The board of directors of the North Tahoe Public Utility District has called for bids for building an administrative building at Tahoe Vista. Bids will be opened at a public meeting to be held at 2 p.m. on April 4.

Drawings and specifications of the building are on file at the office of the district in the post office at Kings Beach.

TRESPASS SUIT AT TAHOE IS STARTED

AUBURN — Eugene and Margaret Pierce of the Lake Forest Subdivision at Lake Tahoe have filed a suit for damages for trespass in the Placer Superior Court against the Fulton Water Company in which the couple is seeking a total of $8,500.

The action sets forth that about two years ago agents of the water company entered the Pierce property and without consent, destroyed trees and shrubbery and caused excavations.

The plaintiffs want $7,500 in general damages and $1,000, with treble damages, as provided by law, for the loss of the trees.

Assessment Here Is 14 Per Cent Of Total For County

Truckee-Donner Assessed At $3.742,540 Says Plan Report

One of the most interesting and revealing phases of a report on the economic base of Nevada County submitted to the Nevada County Planning Commission by Planning Consultant Dick M. Wilkinson is the fact that the Truckee Donner area embraces 14 per cent of the assessed valuation of the entire county.

Ten per cent, the report shows, is in Nevada City while 20 per cent is in Grass Valley, the remaining 56 per cent being outside these three communities.

Assessed values in the Truckee Donner area, comprising the school district is listed at $3,742,540, of which $1,018,870 is in land, $2,016,470 in improvements and $707,200 in personal property assessments.

Nevada City has a total assessed valuation of $2,658,790, of which $447,990 is in land, $1,846,930 in improvements and $363,870 in personal property.

Grass Valley was credited with $1,002,990 in land values, $3,954,740 in improvements and $882,320 in personal property, for a total of $5,940,050, the report shows.

The source of the information was from the office of the county assessor.

The table shows that the rural area of the county pays more property tax to the county than all the three urbanized areas combined and that the Truckee Donner area pays more than the City of Nevada City and less than the City of Grass Valley.

School Calendar Adopted By Board

Adoption of the school calendar for the 1961-62 year was among the matters taken up at the meeting of the governing board of the Tahoe Truckee Unified School District at the meeting last week.

According to the calendar, school will take up for the fall semester on September 11 and will close on June 15.

Recognized holidays are Thanksgiving on November 23, Christmas Day, New Year's Day, Lincoln's Birthday, Easter and Decoration Day. Vacations will be held for Thanksgiving from November 22 through 24; Christmas December 20 through January 2 and Easter April 16 through 20.

Schools may be in session on February 12 and May 30, Lincoln's birthday and Decoration Day, since the classes may close for inclement weather on other days during the year.

In other action, the board accepted the resignations of Mrs. Lorene Goodrich and Mrs. Gladys Putynkowski, teachers at the Kings Beach school and Donald Lamp, bus driver and custodian.

Harold Drummond reported that local graduates now studying at the University of California having entered as freshmen this year have all completed work with a C average or better and are eligible to continue at the university.

ANCIENT DOCUMENTS FOUND IN POST OFFICE

While renovating the back room of the postoffice recently, Postmaster Richard Higgins unearthed many relics of bygone days.

Among the many documents, partly damaged by fire several years ago, was a petition from 260 residents of Hobart Mills directed to the post office department at Washington, D. C. requesting the Overton Post Office at that point.

The petition was dated June 1, 1900 and bears the names of the old timers of that once thriving lumbering community.

The petition points out that the nearest post office was Truckee, seven miles distant and creating a hardship on the residents. It was declared that the average number of letters received daily was 82, while there were 139 daily newspapers being received and 65 letters dispatched daily.

Other documents from the old Hobart Mills file included the appointment certificate of J. B. Clark as postmaster and Mrs. Hannah Stewart as clerk during the 1930's.

Back From England—

Percy Samme has returned to Truckee after a visit with relatives and friends in England.

Meeting Scheduled Tonight To Study Naming Of Streets

The second meeting of a group organized to study the feasibility of naming streets and roads in the North Lake Tahoe and Truckee area and assigning house and business numbers, will be held tonight at 7:30 o'clock in the Elks Building at Kings Beach.

The meeting will be presided over by Edward Shirley, resident engineer for the Pacific Telephone Company which is sparkplugging the project.

All interested people are invited to attend the meeting during which plans will be furthered, including the formation of a general committee from the various organizations in the community. It is also planned to draw up resolutions for presentation to the boards of supervisors of both Placer and Nevada Counties and the planning commissions of the two counties.

It has been pointed out by the sponsors of the plan that the naming of the streets and numbering houses will eliminate the present confusion in providing directions, particularly for emergencies such as fires, illness, accidents, and installation of utilities.

At present there are many duplications of names and this often leads to loss of time in the dispatching of emergency vehicles.

The plan was first outlined by Shirley at the initial meeting held recently at Tahoe Inn where interest was shown in proceeding with plans.

Progress Reported On Donner Project

William T. Marsh of Pleasanton, whose proposed Donnerland, U.S.A., involving some 45 acres of land along the freeway of business people of the area, writes that architects and engineers have been engaged to plan the project more in detail.

Marsh said the firm of Stimpson, Stratta and Associates is currently working on the project and the first signs will be installed in about 30 days.

"We have conferences almost daily," March wrote, "with people about the project and the Truckee area. I feel that we have attracted more attention to the area in the last three months than they have had in the last five years."

Marsh said dozens of letters, brochures and reprints on the project have been sent out and that interest has been very favorable from all sources.

Marsh proposes to develop Donnerland, U. S. A. into a recreational area appealing to families and using the location as a hub in attracting people to this far-flung recreational area embracing North Tahoe, Donner Summit and other nearby communities.

SALE OF LAND HERE REPORTED BY FIRM

The second large sale of land by Eve Popovich's Donner Trail Real Estate office in recent months, shows the growing trend of our Truckee area. More and more investors with an eye to the future are buying land in this vicinity.

The first sale of 950 acres was the property known as Beacon Hill. The second sale near the Brockway cut-off involving 200 acres.

There are many plans for this property and the public will be informed as plans progress. Parcels of the properties will be improved and will be offered for sale as small acreages.

SKIIS ARE STOLEN IN SQUAW VALLEY AREA

Eight pairs of skis, one pair of ski poles and a toboggan were reported stolen from Squaw Valley over the weekend.

Lt. Robert Moustris senior officer at the sub-station cautioned skiers to use the lockers provided at all of the ski lodges, and to leave cars locked with valuables concealed. He said the thefts are mounting steadily, and can be prevented by the exercise of a little caution.

TAHOE SCHOOL WILL HOLD SHOW MARCH 4

TAHOE CITY—The Tahoe Lake School seventh and eight graders will hold their Spring Carnival on Saturday, March 4. The purpose of the carnival is to raise funds for the week-long field trip to the coast.

Fight Authorized To Defeat School Bill In Legislature

Passage Of Bill To Boost Local Costs, School Head Says

Superintendent John S. Corbin of the Tahoe Truckee Unified School District has been instructed by the governing board to take whatever steps necessary to have AB1000, now before the legislature in Sacramento, defeated.

The bill, known as the state department of education's county-wide tax plan, is one of the most controversial to hit the legislature in some time, Corbin told the board.

Praised by low assessment valuation school districts and condemned by its opponents, it would operate as follows, Corbin declared:

1. Money received by the county would be distributed among its school districts on a formula of enrollment in relation to assessed value of property.

2. Districts with low assessed values and large enrollments would

Town Hoopsters To Decide Champions

(By JOHN FIRPO)

Harry's Quality Meats downed the U-Save men to win the consolation and third place and the Kings Beach Lions trounced the Telephone Company five in a semi-final as the Truckee Town League basketball tournament headed into its final night.

The Lions winning, earned the right to play Mariers Mauraders in the championship game this coming Monday evening. The contest for first place will begin at 7:15.

In the opener the Lions hit fast and hard and jumped to an early 14-2 first period lead. They widened the gap to 34-10 when the halftime rolled around. It was no different in the final half as the Lake men poured it on to win going away, 64-27.

Four Lions hit in the double figures. L. J. Robinson and Ken Osburn had 13 while Jack Van Hooser and Gary Gunkel tallied 12 apiece. Big Dale Freeland led the losing Tel-Cos with 15.

In the nightcap the game was not so one-sided. Harry's Meat Men took an early lead, 11-8. They stretched this to 21-14 at the intermission with the help of center Bob Merica who threaded the hoop for 12 points in the first half From then on the victors had no trouble and coasted to a 44-32 win

Merica finished up with 17 to lead the victorious Meat Men getting support from Mike Moore who sank eleven points. Captain Bob Tonini led the gas station five with 10 counters; Keith Reid tossed in six points.

PUBLIC HEARING ON DOCTOR APPLICATION

Directors of the Tahoe Forest Hospital District have set March 3 at 8 p.m. as the time for the public hearing on Dr. E. O. Hendrickson's application for permission to practice in the hospital.

The active medical staff has recommended to the board that the application be denied and at the same time Dr. Hendrickson has presented a petition, signed by 120 residents of the area asking that his application be granted.

Charges pro and con have been made and the meeting on March 3 is expected to clarify the situation for both Dr. Hendrickson and the hospital.

CIRCULAR ERROR

An obvious error was made in the circulars prepared for Z Market this week when the price of cut-up fryers was listed at only 29 cents, while whole fryers were selling for 39 cents per pound. The price for the cut-up chickens should have been 43 cents per pound. The correct price is listed in the ad in today's Sierra Sun.

DAUGHTER BORN

Mr. and Mrs. Clark Terrell of Tahoe City are parents of a baby daughter, Serena Rae, born February 17 at the Tahoe Forest Hospital. The little girl weighed six pounds 5½ ounces on arrival.

Mrs. Leslie Grow has returned from a two weeks stay at Fresno.

"Route 66" Will Be Filmed In Squaw By TV Company

SQUAW VALLEY — Olympic Village at Squaw Valley State Park, the year-around vacation resort that was the scene of the Winter Olympics last February, will be the backdrop for a story in the popular television series "Route 66" starting this week.

"Route 66" is the show in which stars Tod Stiles and Buz Murdock, a handsome, devil-may-care duo, travel to different sections of the country seeking adventure, become involved in dramatic situations, perform heroic deeds while beautiful girls fall in love with them, and then travel on for new excitement.

Television actors Martin Milner and George Maharis, who play Stiles and Murdock, respectively, plus a party of 50, including supporting actors, producers, cameramen, etc., arrive at Olympic Village Wednesday and will stay through Tuesday.

The show's action will take place at the Village's Saturday night dance, in the restaurant, in the unique Finnish sauna baths, at beautiful Blyth Memorial Arena, and at the Village's new, heated swimming pool.

According to "Route 66" officials, Olympic Village was chosen for the show's location because of its many attractive buildings and because it is the center of activity at Squaw Valley. "Route 66" with Olympic Village as background will be seen over CBS within the next two months.

Mrs. O'Bear Heads Donner Auxiliary

On February 16th the Donner Lake Fire Department Auxiliary elected new officers for the coming year at a dinner meeting held in the Church of the Mountain Hall.

Out-going President Jean Walker installed in-coming President Virginia O'Bear who in turn gave instructions of duties to new vice-President Dolly Harris, Secretary Muriel Wiser and Treasurer Ozella Slate. Jean Walker acknowledged the support given her by all the members in the past year and specially thanked her fellow officers and board members by presenting each of them with a specially designed ceramic planter in the shape of a fire hat.

Martha Pankoke was also presented one in thanks for working on every major committee throughout the year.

New Board members elected were Donna Warnke, Nancy Brodie, Gertrude Gilson, Georgiana King and Jerry Bonano. Auditors are Bess Reid and Laura Horman, with Mila Johnson as Program Chairman and Martha Pankoke, publicity. Everyone thanked the outgoing officers for a very successful year and know the in-coming officers will enjoy the same rewards.

PROBE CONTINUES IN SOLVING LOCAL FIRES

Investigation of the incendiary fires which plagued this immediate vicinty for several weeks was continued last week by Troy Standley, special agent for the National Board of Fire Underwriters and John Tessore from the state fire marshal's office at Sacramento.

Deputy Sheriff Roy Waters declared that the investigation has unearthed suspects and that questioning and investigating will be continued.

Although there were no new fires during the past two weeks, officials are still on double alert and are asking homeowners to report any fire or suspicious characters in the vicinity.

Five fires of incendiary origin were reported during the past two months, four of them causing little damage, the first destroying a large shed filled with dry lumber at the Burney Lumber Company yard.

SUMMER RESIDENT OF TRUCKEE SUCCUMBS

Friends here have received word of the death in Sawtelle of Leonard Carter, 65, for the past several years employed as a barber in Jim's Barber Shop in Truckee during the summer months.

A resident of Bakersfield, Carter had been in the veterans' hospital at Sawtelle for some time.

He is survived by his wife and two sons, one a resident of Bakersfield and the other of Riverside.

Seven Candidates Seek Election To Local Utility Board

Tomorrow Is Final Day To File Petitions For Local Jobs

With still one more day left in which candidates may secure nomination petitions, seven local people, including one incumbent, have indicated they will seek election to the board of directors of the Truckee. Public Utility District.

Friday is the final date to file for nomination for the election which will be held May 2.

The terms of Lauren Russell and Karl Kielhofer are expiring in May, and while the former has indicated he will be a candidate, Kielhofer has announced he will not run. The elected officials will serve for four year terms on the board.

Those who have obtained petitions for candidacy include beside Russell, Mrs. Eve Popovich, owner of Donner Trail Real Estate; Dr. H. A. Tapia, local chiropractor; Jess Holleman, owner of the Cottage Hotel; George Kaspian, a former member of the board and lumberman; Pat Greenhouse, retired Southern Pacific electrician and James McIver, well known local resident.

Other members of the board are Dr. B. R. King, Cecil Edmunds and Daniel Horman.

Indications point to a lively contest to fill the two seats on the board.

Wolverines Lose Two Hoop Games

The Tahoe Truckee Wolverines dropped two more games Friday and Saturday, the first Friday night to the Winnemucca Buckaroos by a 58 to 45 score and the second on Saturday to the Lovelock Mustangs, 67 to 49.

The win gave the Mustangs a 9-1 conference record for the year to equal Douglas' output after its win Friday. The loss was the fourth straight for the Wolverines and gave them a 4-7 conference standing.

The Truckee JV's dropped their game to Winnemucca 50 to 25 but defeated the Lovelock quintet 52 to 38.

In the Winnemucca contest, Smart polled a total of 13 points to be high man with Alameda and Ferrari tied for second place with eight points each.

Ferrari was high point scorer for Truckee Tahoe in the Lovelock game, getting 14 points with Baxter second with 11 and Notley third with 10.

For the final scheduled game, the Wolverines travel to Douglas Friday.

SHARON PACE WILL WED BAY AREA MAN

Sharon Pace and H. R. Arnold, whose betrothal was announced in September will be married at a religious ceremony Saturday, February 25 at San Francisco, to be attended by members of the families. A dinner will follow the wedding rites.

The bride-elect is the daughter of Mr. and Mrs. Anthony Pace of Truckee and is well known here where she attended school, prior to going to San Jose State College. Miss Pace has since been employed at San Francisco.

The future benedict is the son of the late Dr. and Mrs. H. R. Arnold of San Francisco and was a student at the University of California.

Following the marriage the young couple plan to establish their home at Santa Rosa where both will be employed.

JUDGE CHARRISON IS PATIENT IN HOSPITAL

Judge Harry Charrison of the Tahoe Judicial District Court, is in critical condition at the Tahoe Forest Hospital following a heart attack at his Kings Beach home Saturday. Since the stroke, the popular judge has been in a coma and his condition does not improve.

During his absence from the court, Judge Fosten Wilson of the Truckee Judicial District, is substituting for Judge Charrison.

Friends of the 74-year-old justice are hoping for complete recovery.

PUNISHMENT METED OUT TO FIT CRIME

Punishment befitting the crime was meted out to three 15 and 16 year old boys Sunday night when they were apprehended by Deputy Sheriff Preston Patnoude letting air out of the tires of Jess Hollman's car near the Cottage Hotel.

The three boys were required to pump up the four tires with a hand pump although there was an air hose within working distance.

Names of the culprits were withheld.

Mike and Eve Popovich, home from a three week vacation. They visited their son and family in the bay area. Went by way of Las Vegas to visit relatives in Ely, Nevada.

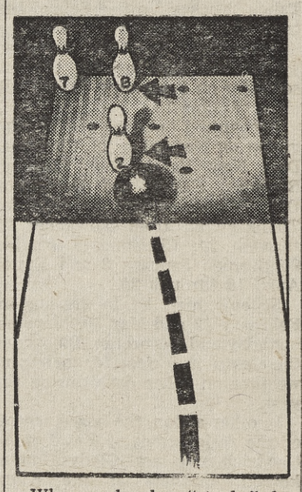
STRIKES & SPARES

BY JOE WILMAN

"STRIKING" IS LAUDED — IN BOWLING ONLY!



When a bowler "steals," he isn't penalized. "Stealing" is a term given when a bowler scores a strike on a very poor hit.

If you "strike out" in bowling, you're a hero. If you do it in baseball, you're a bum. "Striking out" in bowling means scoring nothing but strikes from a certain point on through the end of the game. Striking out in the 10th frame, for instance, means getting three strikes.

Bowling "graveyards" can be pretty frightening, too. That's the term used to describe lanes where it's very tough to score well.

A "sleeper pin" is one directlyly behind another and very difficult to see from the bowler's end of the alley. The 8 pin is a "sleeper" behind the 2 pin in today's illustration.

A bowler calls high scoring alleys "home alleys," and he prefers them to "graveyards."

"Double pinochle" is good when playing cards, but in bowling it represents the 4-6-7-10, an almost impossible shot to make.

A "turkey" is good in any language. In bowling it means 3 strikes in a row.

TAHOE TRUCKEE SCHOOL NEWS

TRUCKEE ELEMENTARY

KINDERGARTEN: Our room enjoyed the Valentine party very much. It was arranged by room mother, Mrs. John Rablin. She was assisted by Mrs. Francis Vierra, Mrs. Kenneth Ford, and Mrs. J. P. Vind.

We will be happy when John Hughes and John Golonka are able to be back in school. They have been sick and absent for some time.

FIRST GRADE: We had a very nice Valentine Party. We want to thank Mrs. Stone, Mrs. Daly, and Mrs. Grow for the delicious refreshments and for helping at the party.

These children received 100 on last week's spelling test: Steve Stone, Carl Kuttel, Kay Raynor, David Daly, Sonia Sandoval, Kathleen Pendergast, Sharon Eckerman, Carol Bunt, Denise Clepper and Phillip Grow.

FIRST AND SECOND GRADE: New helpers for the next two weeks are: flag, Mickey Smisek; paper monitor, first grade, Shelley Anderson; second grade, Nola Houlgate and Kenneth Grady. Milk Monitor, David Backrak; blackboard, Nancy Rablin; plants, Holley Schooley; books, Marvin Constan.

Those who received 100 percent in the spelling test on Friday were Kenneth Grady, Gary Paddock, Janet Corro, Sharon Ford, Anne Hackett, Nola Houlgate, Nancy Rablin, Peggy White.

We had a very lovely Valentine's Day party on Monday afternoon. We wish to extend our "thank you's" to the room mothers who helped us.

SECOND AND THIRD GRADES: For the month of February, James McKinnon will be president; Doug Reid, vice president. Team captains are David Greene, Gene Osburn, Joyce Smart, and Donna Horman.

Gene Osburn left to visit Mexico for two months, and we'll miss him.

Best spellers this week are Homer Owens, Susan Kenyon, Dennis Dent, David Greene, Douglas Reid, Gary Stone, Leslie Smith, Joan Apple, Debra Eckerman, Patsy Goldsmith, Margaret Holloway, Donna Horman, Deborah Jellin, Jean King, Karen Silverii, and Joyce Smart.

THIRD GRADE: Two members of our class have birthdays in February. They are Pamela Laugenour and Eileen Hausauer.

We welcome Kathleen Reda to our class. Her parents have recently moved to Donner Lake from South Tahoe.

Members of our Clean Desk Club for the week are: Steve Rose, Kathleen Collier, Virginia Strobel, Dale Daniels, Nancy Raynor and Dennis Weiler.

Many thanks to Mrs. Strobel, Dale Daniels, Nancy Raynor and Dennis Weiler.

Many thanks to Mrs. Strobel, our room mother for the lovely Valentine party she brought our room.

FOURTH AND FIFTH GRADE: Mark of success goes to Bernie Hall, Henry Frates and Maryann Atkinson.

The pupils who received 100 percent in spelling are: 4th, Maryann Atkinson, George Franceschini, Terry Higgins, Tammie Richards; 5th, Wilbur Glenn, Bill Rose, Stan Greene, Karel Lynn Sauby, Richard Martin, Bernie Hall, Gail Shackelford, John Clark, Barry Waters, Shirley Davis, Jill Wurst, Mike Kydd, Jennifer O'Bear.

Our class sculptors are: Mike Kydd and Bill Rose.

100 percent in arithmetic are Karel Sauby and John Clark.

SIXTH GRADE: Our new class officers are Lonny Tapia, president; Beverly Holleman, vice president, and Marianne Moore, secretary. Our monitors are wastepaper basket, Bill Waters; blackboard, Garee Lynn Stewart; windows, Susie Olano; sink, Heidi Euer and Eileen Olson.

The following people got 100 percent in spelling: Catherine Braley, Cheri Comola, Shirley Constan, Heidi Euer, Beverly Holloman, Cam Houlgate, Jack Melugin, Marianne Moore, Susie Olano, Garee Lynn Stewart, Patsy Tapia, Lenny Vind and Billy Pifer.

EIGHTH GRADE: The 8th grade basketball team was the victor in a thrilling game with the freshmen. The final score was 17-18. The 8th grade has won 4 out of the last 5 games, losing one game to Kings Beach by 1 point. As usual, the high point man in the freshman-8th game was Kenny Taylor.

KINGS BEACH SCHOOL

SECOND GRADE — Mrs. Wing: We want to thank Mrs. Tiller, Nancy's mother, and Mrs. Dow, Alvin's mother, for making our Valentine party a success.

Mrs. Wilma Rogers, county librarian, visited our class Wednesday and told us several stories.

Mark Cole has been absent all week due to illness.

The new boy in our room is David Krako. David comes to us from Tahoe City. Now our enrollment hits twenty-nine.

THIRD GRADE—Mrs. Ferrari: Vickie Mollhagen has rejoined our class after a three months trip to the Hawaiian Islands. She attended school in Hawaii and brought many interesting things home with her.

We had our Valentine's party on Tuesday. The girls were hostesses and served delicious refreshments to the class. The boys took care of the Valentine boxes and acted as postmen for the Valentines.

FOURTH GRADE—Mrs. Corbin: The following people made 100 percent in spelling Feb. 10th: Lee Batt, Micky Barker, Sharon Bell, Candy Ehlers, Jennie Hoffman, Steve Holley, Charles Lambert, Sandra Martin, Cathy McIntire and Sharon Roberts.

Our class won $5.00 for the largest collection to the March of Dimes.

Mrs. Cole and Mrs. Holley were here for our Valentine party Wednesday. The following mothers helped make goodies: Mrs. Van Tassell, Mrs. Biggs, Mrs. Gunkel, Mrs. H. Martin, Mrs. Hilgesen, Mrs. Dennis, Mrs. Hiatt, and Mrs. Ferguson. We want to thank them for such a lovely party.

FIFTH GRADE—Mrs. Putynkowski: Larry Sandavol has been absent for the past two weeks.

We have been studying weather and weather forcasting. Robert Fugazi brought his weather forecasting instruments from home.

We enjoyed a Valentine party last Friday. The girls in our room planned the party. Mrs. Lambert, Mrs. Lelte, Mrs. Ferrari, Mrs. Peters, Mrs. Cook, Mrs. Gernusak, Mrs. Murray, Mrs. Burris, Mrs. Carrara, Mrs. Jensen, and Mrs. Astle and Mrs. Taylor furnished the refreshments.

Every Thursday afternoon during physical education class the fifth and sixth grade students have done square dancing. Mrs. Schultz teaches the class.

Janice Wing, Ann Felte, Greg Pope, Mitchell Abbott and Linda Carrara were cochairmen for the bulletin board committees for February.

SEVENTH GRADE--Mrs. Schultz: We have reorganized our spelling groups. Those in the highest group are Vern Wing, Bob Mondino, Cathy Whitehead, Beverly Bergman, Dale DeSylva, Mike

How the application of Christ Jesus' teaching to daily living brings increased blessings to mankind will be emphasized at Christian Science services Sunday.
Among the Scriptural selections to be read in the Lesson-Sermon entitled "Christ Jesus" is the passage in which the Master states: "Whosoever cometh to me, and heareth my sayings, and doeth them, I will shew you to whom he is like: he is like a man which built an house, and digged deep, and laid the foundation on a rock . . " (Luke 6:47, 48).
Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include this (15: 28-30): "Practice not profession, understanding not belief, gain the ear and right hand of omnipotence and they assuredly call down infinite blessings."

The services are at 9:00 and 11:00 a.m. Sunday mornings, with church school and child care at each hour.
On Thursday evenings there is a service of worship beginning at 7:30 for those unable to attend Sunday mornings.
On Thursday, February 23, the sermon will be the same as on Sunday the 26th.
On Thursday evening, March 2, the sermon will be entitled "A Statement of Faith."

JOHNSON SERVING ON 3 MAJOR COMMITTEES

WASHINGTON, D. C.—Congressman Harold T. (Bizz) Johnson of the 2nd, mountain-valley counties, district has been appointed to thre major committees in the organization of the 87th congress.
These are committees on public works, interior and insular affairs, and interstate highways. Representative Johnson was a member of the committees on public works and interstate highways during the 86th Congress. The interior appointment is new.
"I am most gratified at my selection for the committee on interior and insular affairs," Congressman Johnson said. "The composition of the Second Congressional District, its vast areas of public domain, its mining problems, its national parks, its natural resource, water and power development, and the Indian populations, make this a committee vital to the 19 counties of the district."

JOE MARILLAC GETS HONOR FROM FRANCE

TAHOE CITY — For his "outstanding work and service in the field of sports," Joe Marillac of Squaw Valley was honored by the French Government with the presentation of the "Medal Officier De Merite Sportis." The medal was presented to Joe by the French consulate general in San Francisco, Robert Luc, at a ceremony held at the Five Circles Club in Squaw Valley on Sunday, February 12th. This is a signal honor, only five such medals have been awarded by the French Government in the past year.
Among the many who attended the ceremony were Mr. and Mrs. Carl Weber (Weber is the Austrian Consulate General in San Francisco), Mr. and Mrs. A. C. Cushing, Mr. and Mrs. Gordon Butterfield, Mr. and Mrs. Horace Guittard, Mr. and Mrs. Montgomery Atwater, Mr. and Mrs. Peter B. Johnson, Mrs. Stanley Pugh, Mr. and Mrs. Sterling Edwards, Willie Scheffler, Bing Crosby, Mr. and Mrs. William Miller and daughter Mary Jo, Mrs. Nancy deHerrera and Gardner Main.
Marillac established several ski and climbing records in Europe before coming to Squaw Valley ten years ago.

MIKE'S FLOORS WINS IN BOWLING CONTEST

KINGS BEACH—At Kings Beach Bowl, Kings Beach, Mike's Flooring bowling team, headed by Virginia Kornazewich of the Tahoe Snow Bunnies women's league finished first February 15 for the season which began in September.
Goodfellow's Coffee Shop, captained by Leonore Vind was second in the standings and Baker's Excavating led by Rose Baker captured third place. Ten teams were in close competition for the trophies which will be presented to the three high games sponsors and also the individual trophies for the same groups.
Valerie Manderville won a trophy for high game and Pearl Martin holds the trophy for individual high series.
Other members of the first three teams include:

Mike's Floor Covering
Leslie Young, Ruth West, Barbara Braessler, Marilyn Boatman, Vonnie Jones, Mae Springer, Jan Bauman.

Goodfellows Coffee Shop
Shirley Straub, Nadine Neugebauer, Iona Fisher, Arline Smart, Eve Hallett, Betty Juliot.

Fred Baker Evacuating
Pearl Martin, Lois Watson, Kathryn Abbott, Ruby Clackett, Dottie Martin.

CHURCH RECOGNIZED AFTER EXAMINATION

SQUAW VALLEY — The local church gained official recognition as a member of the United Church of Christ on Thursday, February 16.
Representatives of churches in this denomination which represents the Congressional Christian Churches and Evangelical and Reformed Churches, were present to examine the credentials of the church, hear a paper delivered by the pastor, Rev. Franklin Evans, and examined him as to his qualifications.
Everything being in order the council voted to install the minister and to continue with plans for dedication of the sanctuary and to proceed with the installation and dedication.

The San Francisco International Airport provides employment for more than 12,000 persons with an annual payroll of $75 million.

CROSBY FINDS ARENA BUSY FOR SKATING

SQUAW VALLEY—Bing Crosby, vacationing here, decided he'd try a bit of "private" ice skating the other morning at Blyth Arena.
Bing was in for a surprise when he found that particular time is reserved for the ladies "Olympic Ice Skating Club" meeting. These ladies were quickly awakened to the groaner's presence when they heard a crash against the boards. It seems that Crosby was out of practice.
An invitation was extended and accepted and Bing had to pose for pictures then attended the coffee clatch.

McHENRY RETURNS TO OLYMPIC VILLAGE

SQUAW VALLEY — Tom "Twinklefingers" McHenry represented the Olympic Village on the Bill Rase television show in Sacramento last week. McHenry not only went through some of the routines that are so well received at the Village, but also put on a glimpse of his art work.
This marked McHenry's first appearance on television since his successful showing on the Ed Sullivan program some time ago.
The talented young man has returned to Squaw for the weekends, where both his musical routine and art work are creating wide attention.

General Chairman Bill Conners has announced that final plans are being made for the Annual St. Patrick's Day Firemen's Ball which will be held at the Tahoe Inn on Saturday, March 18th, starting at 8:00 p.m.

This annual affair is sponsored by the Tahoe City Volunteer Fire Department and the proceeds are used to purchase much needed equipment for the Volunteer Fire Department.

The committee has obtained the services of an orchestra for the evening's festivities and a late buffet will be served. Working with Mr. Conners on planning the activities are Bud Meixner, tickets chairman; Pete Vanni, mailing chairman; Bill Bechdolt, refreshment chairman, and Bill Briner, publicity chairman.

More than fifty friends gathered at the home of Max and Unis Hoff Wednesday night to honor Orville and Eunice Ingram of Ward Creek before their departure to Dobbins. The Ingrams have resided at Tahoe for several years, Orville being the assistant state forest ranger stationed at the Olympic Fire Department in Squaw Valley. March 1st he will assume his new duties at the Dobbins Ranger Station in Yuba County.

The Ingrams, including 12-year-old Judy and 13-year-old Larry, will leave a host of friends in the community. They have been very active in community affairs and among their special interests have been the Little League and Babe Ruth League, the Elks Club, the Tahoe Lake PTA and the Emblem Club. During the current year, Orv has been serving as treasurer of the Tahoe Lake PTA and Eunice has been very effective in her position as Hospitality Co-Chairman of the PTA.

The group presented an autographed copy of Scott's "The Saga of Lake Tahoe" to the Ingrams.

Glenn and Bud Meixner of Lake Forest celebrated eighteen years of married life last Tuesday.

A Valentine's Day skating party was enjoyed by more than sixty students of the sixth and seventh grades of the Tahoe Lake School on Valentine's Day at Blyth arena in Squaw Valley. In addition to the skating, the participants enjoyed games on the ice and refreshments served at the conclusion of the evening.

Chaperones for the evening included Mrs. Harvey Hopkins, Mrs. Linc Dempsey, Mrs. Ted Wilson, Mrs. Otis Lyons, Mrs. Orville Ingram, Mrs. Bill Mullen and Mr. Rollie Hawk.

Temporarily replacing Doug Metcalf who was injured in a ski mishap recently is Al Thomas who comes from the Plumas-Eureka Forest Service area. Mr. Thomas is residing at Tahoe State Park.

A glamorous model on Betty McIntyre's "Be My Guest" KOLO-TV program on Valentine's Day was Powder Bowl's Evie Waters. Evie gave a very professional performance modelling for a beauty shop at Reno.

Members of the boys' and girls' gymnastic classes performed at the February meeting of the Tahoe Lake PTA held last Wednesday night at the Tahoe Lake School. Instructor for the gymnastics clases is Principal Jim Reynolds.

The group voted to donate a sum of $30 to Scoutmaster Ray Street for use in Cub Scout work. Another topic of discussion was the school reference library which is the major project of the Tahoe Lake PTA this year, and appointed to handle the selection of books for this library were Mrs. Jack Starratt, Mrs. Gordon Mayer and Mrs. Herman Henke. The recent "Cupid's Caper" raised more than an additional one hundred and seventy-five dollars for this purpose. The meeting was presided over by Max Hoff.

Brownie Scouts in Tahoe City participated in a sledding party and wienie roast held last Tuesday at the Tahoe Tavern Heights residence of Leader Hazel. The party was led by Special Guest Corinne Otton. Also assisting with the party was Leader Helen Christensen.

Mrs. John Holley is visiting this week in Piedmont at the home of her mother, Mrs. A. McNear, while her son Bobby is undergoing tests at Stanford Hospital in Palo Alto.

Thirty Girl Scouts of Troop 192 enjoyed a skating party held Friday afternoon, February 17th, at Blyth Arena in Squaw Valley. Assisting the Scouts with the party were Parents Betty Starratt, Virginia Duttweiler, Irene Grahn, Mabel Nielsen, Dave McBride, Eunice Henrikson, Carol Coster, Mary Morris and Bea Lyons.

Mrs. Dorothy Lewis entertained the members of the Monday Night Bridge Club at her Tahoe City home Monday night. The evening's winner was Mrs. Leah Hopkins.

Mrs. Theadate Phillips of Pineland sustained a broken ankle last Friday while skiing at Granlibakken in Tahoe City.

Appointed at Co-chairman of the Girl Scout Cookie Sale for the Truckee- Tahoe neighborhood which will be held next month are Laura Horman of Truckee and Carol Coster of Tahoe City.

Celebrating her ninth birthday this Sunday will be Peggy Hoff, daughter of Mr. and Mrs. Max Hoff. Peggy will entertain classmates at a party held at her home on Saturday.

Proudly displayed on the crib of Charles Phillippe is the medal "Medal Officier De Merite Sportis" recently awarded by France to Squaw Valley's Joe Marillac. Charles Phillippe is the new son of Mr. and Mrs. Joe Marillac, having been born on January 11th.

Mr. and Mrs. Floyd Carnell of Tahoe City left last Thursday to join Tahoe City friends in Hemet where they will vacation for two weeks.

The many friends of Mrs. Martin Spitsen, who has been ill at her Tahoe City home for several weeks, wish her a very speedy recovery to good health.

Mr. and Mrs. Clark Terrell of Tahoe City are the proud parents of a second daughter born last week at Tahoe Forest Hospital.

Meeting last week at Olympic Village to discuss plans for the first annual "Snowbunny Spring Frolic" were Bernie Bechdolt, Martha snyder, Mary Ann Conners, Maisie Carnell and Barbara Onerato of the Corpus Christi Guild. This ball will be held on April 8th at the Nevada Center in Squaw Valley.

Alice Calhoun, daughter of Mr. and Mrs. Allan Calhoun of Deer Park Lodge, entertained twenty-five of her classmates at a party at her home last Saturday night. The party was in joint celebration of Alice's thirteenth birthday, which was on February 1st, and Valentine's Day.

A Pinewood derby and pot luck dinner is being held at the Tahoe Lake School on Friday, February 24th, by the Cub Scout organization of Tahoe City.

Meetings of the Volley-ball sessions for women have been changed to Thursday nights. The group meets once weekly at 7:30 p.m. at the Tahoe Lake School and anyone interested in this sport is cordially invited to attend any of the sessions. For further information, please call Phyllis Freeland at JUniper 3-3232.

CARL THOMPSON IS GIVEN SCHOOL POST

CARL THOMPSON

Albert F. Bequette, superintendent of schools in Placer County, has announced the appointment of Carl Thompson to the position of assistant superintendent in the county superintendent's office.

The appointment is made to fill the vacancy caused by the resignation of Charles Parsons, who has been appointed district superintendent of the Roseville High School District.

Thompson has been administrative assistant in the county superintendent of schools office since 1959. Prior to that he had been a teacher in the Auburn Elementary schools from 1950 through 1954, principal of the Ophir Elementary school from 1955 through 1956 and superintendent of the Foresthill school district from 1957 through 1958.

Thompson received his degree from Chico State College and has done graduate work at Chico State, University of Nevada and Sacramento State College. He resides in Auburn with his wife and two children.

DONNER DOINGS

By VIRGINIA O'BEAR

By the time everyone gets out their fishing gear and polishes the spinners and paraphernalia, fishing season will be open. I understand the season opens the end of March and many have mentioned they are most anxious to get their boats in the water and try for those big ones that always seem to "get away." If the weather continues to be so beautiful, the lake should be faily well covered with fishermen in boats next month.

Speaking of fish, the next time the department of fish and game have a fish plant at Donner Lake, they will notify me and I am going to take pictures of this procedure. Many unlucky fishermen ask, "Are there really fish in Donner Lake?" Well, we can show them that millions of fish of various sizes are planted and this is done several times a year.

Last Saturday was a very exciting day for many youngsters as the Truckee Elementary School ski instruction program started. The school busses picked the children up at various designated places and took them to Hilltop where some skied for the first time. After the classes were over at 11:30 a.m., the busses then transported all of the children home. I think this ski program is a wonderful thing, but wish there was some way every child could participate. In some areas it is compulsory for all children to have ski instruction unless they are physically unable to do so. Many parents cannot afford to equip their children for this sport and it seems to me we might get a lot of Olympic prospects if there was some way these less fortunate ones could participate.

Mr. and Mrs. Virgil Harris spent a few days in Sacramento visiting relatives and friends. Virgil had a few days off from his contracting work so Dollie took advantage of this time for a little vacation, too. Dollie is our new vice president of the Ladies Auxiliary, being elected last Thursday evening.

The Valentine theme was the motif last Thursday evening when 33 Ladies Auxiliary members met at the Church of the Mountains. Ladies of the W.S.C.S. prepared the delicious dinner and hostesses were Ozella Slate, Bess Reid and Dorothy Slack. It was election time and officers were chosen for the coming year, taking office in March. Martha Pankoke was named publicity chairman for the year and has started her duties by giving you a run-down on the officers for the year which can be found elsewhere in the paper. I feel very honored and proud to be the president of the auxiliary this year and will do my very best to live up to the fine example set by our three previous presidents, Laura Horman, Bess Reid and Jean Walker. With the wonderful group of officers elected Thursday evening and with the help of the auxiliary members, we just can't help but have a very happy and prosperous year.

The Donner firemen have been very busy, too. Last Tuesday, many firemen enjoyed the joint dinner and business meeting with the Truckee firemen at Cozzi's. On Wednesday evening, the members of the board met at the home of Dr. Robert Affeldt and the new officers were appointed their duties. Dr. Ray Wiser was appointed president, Ivan Tofft, vice president, Janet Franklin, secretary and Dick Walker, treasurer. Charles O'Bear will be boat race chairman. A regular meeting will be held at the firehouse on February 23, Fire Chief Hap Warnke announced last week, from 7:30 until 9 p.m. All firemen have been notified by mail.

DONNER TRAIL SCHOOL

PRIMARY GRADES: Perfect spelling scores were made by: second, Bonnie Hampton, Gayle Payne, Deborah McGee; third, Debby Rosamond, Chris Monroe, Mary Griffith and Darrell Rosamond.

THIRD TO SIXTH GRADE: David Besold and Dianne DeWitt have been out of school all of this week because of illness.

Those students receiving 100 percent in spelling this week are: Kristin Madden, Gary Stivers, Susan Jang, Dwight Beery, Dennis Hampton, Lynn Aro, Shelia Rosamond, Marcia Sult, Debbie Zorich, Jane Allyn and Terry Besold.

The plans for our dance on February 24th are coming along fine. We hope to have a big crowd.

TRAFFIC FATALITIES ARE HIGH IN STATE

California's 1960 traffic fatality toll rose to within 81 of the all-time mark, final figures revealed by the California Highway Patrol showed this week.

Patrol Commissioner Bradford M. Crittenden said the official tally was 3,723. The highest year on record was 1956, when 3,804 died in motor vehicle accidents.

"The figure is dismal even when it is known that the rate of fatalities per 100 million miles of vehicular travel held steady at 5.3, the same as 1959," the commissioner said.

"The 3,723 figure means that slightly over 10 persons per day met violent death on our state's highways and streets. Many of these deaths were the result of mistakes or carelessness, momentary lapses which were the signal for tragedy to step in. Others resulted from willful violations of the traffic laws which the guilty driver deliberately ignored the potential consequences of his action.

"No matter what your job or profession, remember that when you are behind the wheel, driving is your occupation. It requires total attention. There can be no distractions. Driving is too serious to be considered a game or avocation. It is a business. Make it a good business by applying the techniques of safe driving," he concluded.

The San Francisco Municipal Railway operates 689 miles of scheduled routes of 60 bus, trolly coach, street car and cable car lines.

Board of directors of the Lake Tahoe Sierra Chamber of Commerce met at Tahoe Inn, Tahoe City, Thursday, Feb. 16. Present were William Briner, Florence Brown, Selby Calkins, Robert Daneri, Tom James, Carleton Konarske, Wendell Russell, Ted Stollery, Frank Vernon and Bethel Van Tassell.

Advisory Council was appointed by directors consisting of A. M. Anderson, Carl Bechdolt, Sr., Gordon Brown, Pete Bennett, Harry S. Hooper, James Hume, Don Huff, Norman Mayfield, Harry McIntyre, George Phillips, Fred Schultz and Ralph Sears.

Wendell Russell was appointed membership chairman. Lee Apple, financial chairman. Fred Schultz and Harry McIntire were appointed to the Hiway committee. Bill Briner was appointed chairman of the Civic Affairs committee. Pete Johnson, chairman of promotions.

Several possibilities for an office for the chamber are being investigated.

The highway committee, Fred Schultz and Harry McIntyre, are setting up a meeting to which state hiway department officials will be invited. This will be a general meeting at the Nevada Lodge on March 2nd to which all members, guests and interested persons are invited. Discussion will be on the widening of the state hiway 28 and pertinent matters.

Teachers - Parents Association meeting was held Thursday evening at the Kings Beach Elementary School, with Ceta L. Hooper, president, presiding. Mrs. Paul Adamco and son, Peter, presented the playground fund with a check for $804.00. The fund is being maintained in a Reno bank and any organization wishing to contribute to playground equipment may contact the school or any TPA officer.

Tickets are available for a St. Patrick's dance at the Elk's Club Tahoe Vista, March 17th. A charge of $2.50 per couple includes corsage and snacks. A combo will provide music and the refreshment bar will be operated by the Elks. Non-dancers are invited to bring their cards—tables will be set up for a social evening.

Entertainment for the meeting was provided by the teachers. The Ragtime Band roused the audience as they played and sang "On Top of Old Smokey." A pantomime was erected by Kay Wing and Harriet Price. Denny Naas told a story before the audience joined in singing "Coming Round the Mountain."

Next meeting, March 23rd, the Mothers of TPA will reciprocate with the program.

"The Meeting Will Come to Order" a comedy skit—will be directed by Betty Vance and presented as part of the program at the Women's Club of North Tahoe annual Hat Party on February 27 at the Nevada Lodge. In the skit will be Judy Thatcher, Marguerite Ashton, Kay Felte, Pat Wilt, Jean Schwartz, and Yvonne Bechdolt.

* * *

"Here We Come—Gathering Nuts in May"—a dance with running commentary and piano accompaniment by Alice Price, and under the direction of Alice, and dancers—Marilyn Shaff, Jean Schwartz, Lou Mills, Harriet Price, Alys May Schultz and Nora Ferrari.

"The Song Setters Sextette" or "Hark, Hark, the Girls Do Bark"—a singing skit—with piano accompanist, Marilyn Boatman, and singers Audrey Brehler, Norma Wilson, Ruth West, Bern Franklin and Betty Vance.

Louise Antillion will dance the "Mexican Hat Dance."

Prizes for the most original, best and funniest hat in the Mother Goose theme will be awarded.

This is an annual women's party for all women of the area—members, guests, non-members, come one—come all! Nevada Lodge, February 27, Monday evening, 7 p.m. See yah!

WORLD'S POPULATION IS NEARING 3 BILLION... *U.S. AMERICANS WILL FIND IT HARD TO BELIEVE THAT HALF OF THESE PEOPLE NEVER BOUGHT A PAIR OF SHOES!
EARLY IN 1961, JUST ONE AMERICAN SHOE BRAND SOLD ITS 300 MILLIONTH PAIR... A MILESTONE REACHED IN 38 YEARS...
THE AVERAGE AMERICAN BUYS 3½ PAIRS OF SHOES ANNUALLY.
IN 1922, FRANK MELVILLE AND HIS SON WARD OPENED THE FIRST Thom McAn SHOE STORE, THE START OF A REVOLUTIONARY PARTNERSHIP BETWEEN MANUFACTURER AND RETAILER.
THEIR GOAL, TO MAKE AND SELL QUALITY SHOES IN HUGE QUANTITIES THAT PERMITTED LOWER PRICES.
THE IDEA CAUGHT ON! IN 5 YEARS THERE WERE 370 OF THESE STORES!
TODAY, THERE ARE 900 THOM McAN STORES IN 500 CITIES SUPPLIED BY ELEVEN COMPANY FACTORIES... NOW, LEADERS FROM UNDER-DEVELOPED COUNTRIES COME HERE TO STUDY THIS MODERN MIRACLE OF SHOEMAKING AND RETAILING SO THAT THEIR PEOPLE, TOO, CAN BUY SHOES... PERHAPS THEIR FIRST PAIR!

ADVERTISING BEST IF BUSINESS IS DOWN

"You can never beat a business slump by slashing your advertising budget." Thus spoke Don R. Grimes, president of the Independent Grocers Alliance in Chicago.

"One of the greatest errors made in business, when sales are slow, is to cut advertising space," he said at the organization's annual financial seminar. "When advertising is reduced, so is store traffic.

"Certainly you can't beat a business slump without volume. You can't have volume unless you advertise. The company, large or small, that starts to economize on its advertising budget is defeating its main object—more business."

Seeking Water

NON-COMPLIANSE IS CAUSE OF ACCIDENTS

The effects of non-compliance with traffic laws are dramatically revealed in accident statistics just compiled for areas served by the California Highway Patrol, Commissioner Bradford M. Crittenden announced.

"During 1960, there were 95,460 accidents in CHP areas. Ninety-four per cent, or 89,632, involved one or more violations of the vehicle code.

"Of 2,376 killed in traffic accidents in CHP areas, 2,233 lives could have been saved by simple observance of the law. A total of 60,605 were hurt. Nearly 57,000 of these could have been spared the pain and the expense of their injuries if drivers had not carelessly ignored or wilfully disregarded the laws designed to protect them.

"Think of the numerous reduction of the daliy tragedy of highway accidents which could be made in California if each driver assumed the individual responsibility to know and observe traffic laws.

"It should not even be necessary for the patrol to call for such action. Just the certain knowledge that violations cause a huge majority of accidents should bring drivers to a sober awareness of their responsibility"

ENROLLMENT GAINS AT SIERRA COLLEGE

A total of 773 day students have registered in Sierra College classes for the spring semester, registrar James McClusky announced this week. This marks an increase of 189 from last year's total of 584.

Of those now in attendance, 740 are full time day students, 17 are part time students and 16 are student vocational nurses.

An additional 199 students have signed up for evening classes—an increase of 60 over last year's figure.

623 BOATS REGISTER IN NEVADA COUNTY

SACRAMENTO — (CNS) — The division of small craft harbors announced there were 623 boats registered in Nevada County, according to latest available figures.

The number of boats in the county included 608 in the portable class (20 feet and less in length) and five in the non-portable class (21 feet and above).

Latest figures showed there were 186,807 undocumented boats registered in California, of which 186,807 were in the portable class and 17,560 in the non-portable class.

RESOLUTION WOULD AID FIRE PREVENTION

Senator Ronald G. Cameron of Auburn has introduced Senate Concurrent Resolution 25 which requests the director of natural resources and the state forester to initiate an experimental and demonstrative project in the forested areas of Northern California wherein lands are blocked out in relatively small units by fire-resistant breaks in the natural vegetation to the end that a practical means may be found for reducing the spread of forest fires over a large area.

Senator Cameron said forest fires have caused serious damage to watershed, recreaton and timber resources. The loss of these resources not only drains many dollars from the economy of California but also creates added burdens to individuals by destruction of property and to the public through the expense connected with the controlling of these fires and in the replanting of burned over areas.

MODERN FISH TRUCKS BOUGHT BY STATE

Two of the largest and most modern fish hauling trucks in the country have been acquired by the California Department of Fish and Game.

The vehicles, each furnished with completely refrigerated and aerated tanks of 2,641 gallon capacity, are capable of carrying up to 3,000 pounds of fish apiece.

They will be used as long-haul vehicles to carry fish from hatcheries to fish distribution bases. From these bases smaller trucks will take catchable size trout to the various streams and lakes in which they are planted. The mechanical refrigeration and aeration systems of the big trucks were built according to plans and specifications developed by department of fish and game personnel.

NEW POST OFFICES AT TAHOE ARE PLANNED

Four Lake Tahoe postmasters announced that the post office department desires competitive bids on new leased post offices.

The new post offices will be constructed at Al Tahoe and Tahoe Valley in California and Crystal Bay and Zephyr Cove, Nevada.

Sites for the new leased buildings have not been selected. Each bid will have to include a proposed site that meets such requirements as being convenient for the public. located reasonably near the center of the area served and accessible to mail trucks.

Prospective bidders on each building can obtain detailed specifications for the post office department at San Francisco.

Following is information concerning each of the proposed new post offices:

AL TAHOE: The new post office will include approximately 2,829 square feet and a 185 square foot loading platform. The driveway, parking and maneuvering area should include about 7,529 square feet. The post office now occupies 1008 square feet. The closing date for bids is March 24.

TAHOE VALLEY: The new post office will innclude approximately 5,900 square feet and a 609 square foot loading platform. The driveway, parking and maneuvering area schould include about 17,022 feet. The post office now occupies 1,421 square feet. The closing date for bids to be submitted is March 17.

CRYSTAL BAY: The new post office will include approximately 2,829 square feet and a 186 foot loading platform. The driveway, parking and maneuvering area should include about 9,029 square feet. The post office now occupies 675 square feet. The closing date for bids in March 6.

ZEPHYR COVE: The new post office will include approximately 2,000 square feet and a 200 square foot loading platform. The driveway, parking and maneuvering area should include about 7,800 square feet. The post office now occupies 531 square feet. The closing date for bids to be submitted is March 17.

HIGHWAY DISCUSSION TO FEATURE SESSION

TAHOE CITY — All interested persons are invited to attend a meeting called by the Lake Tahoe Sierra Chamber of Commerce at Nevada Lodge on Thursday, March 2 at noon. Luncheon is optional.

The discussion on highway problems of interest to Lake Tahoe residents will start at 1 p.m.

Decision to call the meeting was made at a meeting of directors at Tahoe Inn February 16. It was decided to invite Allan Hart, state highway district engineer and others as well as representatives from contracting firms who will be working on highway projects in the area.

Among other items on the agenda included discussion of a site for a permanent, full-time chamber office and appointment of four standing committees.

California has about 110,000 acres planted to almonds.

GRAND JURY SEEKS ASSESSOR FOR AREA

The county government and offices committee of the 1960 Nevada County Grand Jury has recommended that a deputy county assessor be stationed in the fast-developing Truckee area.

The status of property owners in this locality, the report said, is essentially taxation without any county personnel to assist with problems involving county government.

The concentration of homes in the Truckee-Donner area is increasing to such an extent, the report goes on, that the establishment of an office for the use of the property owners is necessary and advisable.

Such an office could be staffed by only one employee to whom taxpayers could apply for such services as making appointments with the tax assessor, district attorney or other county personnel.

Considering the amount of new construction in the area, the report says, it would seem advisable that the employee assigned to this ofice should be a deputy county assessor.

EMBLEM CLUB HEAD AT CARMEL MEETING

TAHOE CITY — Mr. and Mrs. Gordon J. Brown spent the last weekend at Carmel. Mrs. Brown, who is president of the Lake Tahoe Sierra Emblem Club attended a quarterly meeting of the State Association of Emblem Clubs of California and Nevada.

The Emblem Clubs comprise women relatives of members of the Elks Lodge and assist them in all ways possible.

The local club will be dark during March but will hold a regular meeting on the first Monday of each month at 8 p.m. in the Elks Hall at Tahoe Vista. Initiation will be held April 3 and all eligible women are invited to make application by writing Box 589, Tahoe City.

WATCH FILM SHOWN AT ROTARY MEETING

TAHOE CITY—What makes a watch tick was the title of a movie film which was shown at a recent dinner meeting of Tahoe City Rotary Club at Tahoe Inn. Basil Kehoe ran the film.

The narrator for the film named each part of the watch and explained its function as each part moved into place to make a watch. Harley Maine, Truckee Rotarian, supplied the film.

Visiting Rotarians were Art Coulliard and L. W. Gay of Truckee and Mike Koll, of Berkeley. Harry Johanson was program chairman.

Twenty-two local Rotarians attended the meeting presided over by Ralph Bly.

SKI CLUB ACTS TO GET OLYMPIC JUMP USED

SQUAW VALLEY — The Lake Tahoe Ski Club has joined the state division of beaches and parks to determine the best way to put Squaw Valley's 80 meter Olympic ski jump back in use. It could be for amateur tournaments and as a training ground for international team candidates of the National Ski Association.

The club's jumping experts, led by Tim Sullivan of Squaw Valley, held an exploratory discussion with Ted Wilson, superintendent of Squaw Valley State Park; Al Thomas, ranger from Plumas-Eureka State Park, and Monty Atwater of the federal forest service.

Other club members present were Bill Bechdolt, Carl Bechdolt, Jack Starratt and Wayne Poulsen, each a nationally rated jumper during the 30s; Dinty Moore, and Ray Fellows, jumping officials of California's first Olympic hill, the 70 meter slide at nearby Granlibakken.

Wilson said that as a result of the meeting he has requested the club's officers to draft a formal outline of its proposals and intent.

DeMOLAY BOYS AT MEETING IN RENO

The Tahoe Truckee Chapter, Order of DeMolay, attended a meeting and dinner at Reno on February 15th with all the Northern Nevad Chapters present. Those who attended the meeting from Truckee were Terry Walker, Master Councilor; Paul Young, Gene McGibon, Bob Jinks, Bob Forster, Jim Howze, Tom Terkildsen, Hal Drummond, Daven Morey, along with advisors Darol McGihon, Rex Anderson, Skip Ferdinand and Carl Lude.

The purpose of the meeting was to make plans for the state convention to be held during Easter vacation at Las Vegas.

The Tahoe Truckee Chapter is also planning to have a Northern Nevada ski day and pot luck dinner in the near future. The money raised will help pay part of the expenses for the trip to the convention.

AUXILIARY MEET

Mrs. Robert Affeldt will be the hostess in her home this evening at 8 o'clock to members of the Tahoe Forest Hospital Auxiliary. A number of plans for future activity of the unit will be discussed at the meeting and those interested are invited to attend.

In its historic submerged circumnavigation of the globe, the USS Triton made four crossings of the Equator.

get back more money than they pay, while wealthier districts would receive less than the property owners pay to the county fund.

3. The sponsoring state department of education estimates the proposed plan would tap an additional $21 million statewide from the counties to distribute between the poorer districts, plus another $32 in state support.

4. It calls for a county school tax of $1.10 for each $100 or assessed valuation, with 60 cents going into a county equalization fund for elementary school districts and 50 cents divided among the high school districts.

Passage of the bill and its effect on the local district was discussed by Corbin at the recent meeting of the board. In view of the fact that this district would lose approximately $132,000, which would have to be met by an additional tax on the property owners to maintain its present operations, it was unanimously agreed to protest the bill, Corbin declared.

Corbin added that property owners are protesting passage of the bill because of the loss of control of their funds by the district and the fact that the measure would reduce the state's share in the cost of education from 40 to 35 per cent.

SACRAMENTO (CNS) — Two "big money" bills for public education in California are slated for action during the current legislative session but authors of both measures admit they're whistling in the dark on the dollars.

One is AB1000 by Assemblyman Gordon H. Winton, Jr. (D-Merced), supported by the department of education, which would tack another $61 million onto the $721 million already included in the 1961-62 budget for support of public schools. Winston's bill also would add another $21 million to the support program, this amount to be gained by equalizing taxes within counties with a county-wide school tax.

The other bill has not been introduced as yet but is being readied by Assemblyman Carley V. Porter (D-Compton). Supported by the California Teachers Association, it would call for adding some $75 million to the already budgeted school support program.

DADDY WAS RIGHT. WE DIDN'T SAVE, AND NOW MOM'S BIRTHDAY IS COMING AND WE HAVE NO MONEY.

RATTLE RATTLE

CLUNK

WE'LL HAVE TO BORROW FROM ROCKY, SO WE CAN GET HER A PRESENT.

NOPE. MOM SAYS "NEITHER A BORROWER NOR A LENDER BE."

WELL, WE DON'T HAVE TO WORRY ABOUT THE LENDING PART, BUT WE'VE GOT TO GET HER A PRESENT IN SOME WAY. LET'S GO SEE ROCKY ANYWAY.

?

I'M SORRY, PAT, BUT I'M CLEAN OUT OF MONEY MYSELF.

I'D BE GLAD TO HELP YOU IF I COULD.

CAN'T YOU THINK OF SOME OTHER WAY TO GET YOUR MOM A PRESENT? MONEY'S SO HARD TO GET.

COME WITH ME. I THINK I GOT A IDEA.

WE HAVEN'T ANY MONEY, -BUT IT'S MOM'S BIRTHDAY, AND WE NEED A PRESENT.

WELL-PICK OUT WHAT YOU WANT, AND YOU CAN PAY ME WHEN YOU GET THE MONEY.

GIFT

ISN'T THAT LIKE BORROWING?

SO WHAT? IT'S TOO LATE NOW TO HAVE A CONSCIENCE?

WHAT'S A 'CONSCIENCE?'

A CONSCIENCE IS SOMETHING THAT MAKES ***YOU*** TELL YOUR MOTHER BEFORE YOUR ***SISTER*** DOES!
